

Sunday School is not just for children. Sunday School is witnessing too; discipling and training all ages and all levels of Christians. Just about as many souls have been saved in Sunday School as have been saved in morning worship. Sunday School can be a training center where the new Christian becomes familiar with the weapons of Christianity, or it can be a refueling station for the mature Christian.

The Sunday School at First Assembly is a vital element in the vision of our church because it is only through continuing education, constant awareness, mutual respect and love for one another that we will be able to achieve our united goal of reflecting God's character and thereby loving others into a relationship with Jesus.

Train up a child in the way he should go: and when he is old, he will not depart from it.

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.
